The Walk of Friendship

Colored Pencil on Paper

During the pandemic, I got a few textbooks, and papers from my school at the time, and a book titled, *There's A Boy In The Girl's Bathroom!* At first, I didn't want to read the book because of the weird title, but since I had nothing to do, I started reading it. Then when I finished it, I read it again because it was so fun to read, and it kept my mind off of the events happening. Three years later, it's one of my favorite books because of the time it was there for me.
